IV. CWD SOCIAL ADVOCACY

(Due to COVID-19 pandemic, the activities being conducted by the district as part of its Corporate Social Responsibility became limited to avert the spread of the virus in the workplace and community)

One of the activities that regularly being conducted by CWD is the BISITA ESKWELA Program as part of its program for Water Sanitation and Hygiene (WASH) in different elementary schools in the municipality. However, due to pandemic in lieu of BISITA ESKWELA, the CWD constructed two (2) units of WASH BASIN at Bulusan and Frances Elementary Schools in preparation of their face to face classes to promote sanitation and proper hygiene and help avert the spread of COVID-19 among students in the said elementary schools.

CALUMPIT WATER DISTRICT guided by its vision will continue to commit to the people of Calumpit and nearby service areas to: ensure adequate water resources; provide safe and potable water at affordable cost, and carry out sanitation services through competent and dedicated workforce strongly committed to protect the environment.
